Burroughs Wellcome Company, Research Triangle Park, NC 1990-1996
Division of Pharmacology

Senior Cardiovascular Pharmacologist

- Discovered, and directed team efforts to develop a series of plant-derived, natural compounds which have antiatherosclerotic activity
- Earned Research Excellence Award for overall scientific contributions to the Division of Cardiovascular Pharmacology

(Professional experience cont'd.)

CORNELL UNIVERSITY, Ithaca, NY
Division of Nutritional Sciences

1984-1990

Research Associate

- Designed, managed and performed pioneering studies on the nutritional regulation of a newly discovered atherogenic protein
- Awarded "Career Investigator Fellow" by the American Heart Association for research pertaining to nutrition and heart disease
- Presented papers at national meetings of the American Heart Association

VENUES OF INVITED LECTURES

- American Board of Clinical Metal Toxicology, March 2006
- American College for the Advancement of Medicine, October 2000, 2001, 2002
- American Academy of Environmental Medicine, November 1998, August 1999, September 2000, February 2001, March 2001, October 2001, February 2002, April 2006, October 2006
- Great Lakes College of Clinical Medicine, September 1998, 1999, 2000, 2001, 2002, March 2005
- Defeat Autism Now, 2002, 2003, 2004, 2005, 2006
- Orthomolecular Health and Medicine, November 1999, 2005
- International Oxidative Medicine Association, April 1998, 1999, 2000
- International Association of Oral Medicine and Toxicology
- American Association of Naturopathic Physicians, April 1998, September 2000, August 2004, August 2006
- British Columbia Naturopathic Association, 2000, 2001, 2004
- Ontario Association of Naturopathic Physicians, November 2000, October 2006
- First World Congress on Nutrition and Vitamin Therapy, October 1997
- IAACN, August 2000, August 2006
- International Congress on Anti-Aging and Bio-Medical Technologies, December 1998
- Northwest Congress of Optometry, September 1998
- Congresso Internacional de Medicina Ortomolecular e Radicais Livres, (Brazil), June/November 1997 and June 1998
- International College of Advanced Longevity Medicine, May 1998
- zum Thema Schwermetalle und Orthomolekulare Medizin, (Austria), April 1998
- Collegium Humanum, World Congress on High Technology Medicine (Switzerland), July 1997

Member of the American Heart Association since 1980
